Lejla Maltija
thirtieth april two thousand and ten

MERĦBA (WELCOME)

This scholastic year is a significant time for all of us at St. Catherine's High School as it marks its one hundredth birthday and celebrates the good work that it has been doing since its inception, in the personal, social and, above all, educational development of its students...and touching the lives of many who have been, or still are, students, employees, parents or any combination of these.

The *Lejla Maltija* is one of the celebrations being organised to commemorate this centenary and we have therefore prepared a programme designed to meet the interests of all, be it cultural, artistic, musical, recreational, culinary, or simply to enjoy a friendly and relaxing environment.

We take this opportunity to thank all the students, parents, staff, and volunteers who helped in the organisation and realization of this *Lejla Maltija*.

We would also like to thank the organising committee for their hard work, namely Edmond Grech, Anthea Gatt, Eleanor Vella Mintoff, Karen Abela, Frans and Mary Grech, Lee Garrovillo and Brian Gauci.

We would also like to express our heartfelt appreciation to our two **Centenary Platinum Sponsors**: Pace's and Xuereb Installations Ltd.

So we welcome you and we do hope that you enjoy your time at the *Lejla Maltija*.

L-ISTUDENTI TAGĦNA (OUR STUDENTS)

Over the past weeks, our students, together with their teachers and child carers, were engaged in different activities in preparation for the *Lejla Maltija*. So they all invite you to visit the different activities taking place in the different classes during the first hour of our programme.
